March 25, 2020

Habari gani (greetings) community:

Unfortunately, we are in the midst, of a health crisis as the Corona Virus has engulfed all levels of the societal mainstream. Major events all-across the world are being postponed or cancelled due to the problem. An example would be the Olympic Games that were scheduled, July 2020 in Japan, but have been postponed for one year.

In Boston, the Black Community Information Center Inc. has been making preparation for the historic 34th annual "Malcolm X Memorial and Awards Breakfast" scheduled for May 16, 2020. However, because of the previously mentioned Corona Virus crisis, the "Breakfast " event is being postponed and rescheduled for a future date of September 25, 2020 if all goes well as expected.

We appreciate the support and participation of the community in the "Breakfast" in years past, present and future. More information will be coming, and we encourage everyone to keep an eye out for updates and plan your respective calendars in order to attend.

In unity,

Sadiki Kambon
